EXHIBIT E

USAIC Regulation 210-5, Chapter 5, Section I, Weapons

5-2. Transporting weapons.

- a. The carrying of weapons anywhere on the reservation, with the exceptions of subparagraph b below, is prohibited except by those who are engaged in law enforcement duties.
- b. All personnel assigned to or employed at (to include those personnel at Fort Benning in a TDY status) who desire to transport a privately owned weapon to and from hunting, sports shooting, or other recognized function involving that weapon will ensure that the weapon is unloaded. No weapon will be transported with a loaded magazine/clip affixed into the weapon. No weapon will be transported with a round in the chamber or any other projectile in a "ready to fire" configuration. Weapons will be transported in the trunk of vehicles, if so equipped. No weapon will be transported in glove compartments, under seats or any other concealed manner (except in the trunk of the vehicle).
- c. U.S. Government weapons will not be transported in privately owned vehicles.
- d. Personnel assigned to guard duties will be authorized to carry clubs while in the performance of their guard duties. These guards will, however, be thoroughly briefed on use of force per AR 190-14.
- e. Weapons of any kind are prohibited in all AAFES and DCA/MW R facilities.

5-3. Concealed weapons.

No person shall carry a weapon concealed on his or her person at any time, with the exceptions of law enforcement personnel.

5-4. Firing or discharging weapons.

- a. No weapon will be fired, discharged or used within the limits of the garrison/cantonment areas.
- b. No weapon will be fired, discharged or used within 50 feet of a training area building, ammunition storage area, active airfield, posted "no hunting" area, roadway or within 200 feet in the direction thereof.

5-6. Ammunition and Explosives.

- a. The unusual amount and diversified character of firing conducted on Fort Benning requires that special and intelligent care be exercised to avoid accidents. All concerned with handling, care and use of ammunition and explosives, or with the conduct or direction of any firing, or the care and police of building and areas which are used for storing explosives will familiarize themselves with current safety regulations and field and technical manuals pertaining to the munitions being handled.
- b. The firing of ammunition of any type over buildings or other structures, public highways, or public railroads, is prohibited. Extreme care will be exercised and that areas of impact are at a safe distance from buildings or other structures, roads and railroads, and that such areas are fully within the limits of the reservation.
- c. The keeping of live ammunition, projectiles, or explosives as souvenirs by any person is prohibited.
